ACADEMIC QUALIFICATION

BSc in Software Engineering, Daffodil International University, Dhaka, 2022; CGPA: 3.08/4.0

WORK EXPERIENCE

Junior Software Engineer, INTELLEC IT LTD, Mirpur, Dhaka (November 2023 – May 2024)

Web Development & Full-Stack Engineering:

- Assisted in developing and maintaining web applications using HTML5, CSS3, Bootstrap, Tailwind CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB.
- Developed responsive and user-friendly web pages using HTML5, CSS3, Bootstrap, and Tailwind CSS.
- Built and updated website features based on project requirements.
- Worked with existing APIs to support application functionality.
- Used Git and GitHub for version control and project collaboration.
- Maintained existing web applications and implemented minor improvements.

Testing, Debugging & Documentation:

- Tested web applications to ensure they worked properly.
- Identified and fixed basic bugs to improve application performance.
- Checked websites on different browsers and devices for compatibility.
- Assisted in resolving technical issues during development.

Collaboration & User Training:

- Worked with team members to complete assigned tasks on time.
- Participated in team discussions and followed project requirements.
- Communicated with senior developers to understand assigned tasks.
- Learned new technologies and applied them to daily development work.

INDUSTRIAL TRAINING

Frontend Web Development Training, Daffodil Polytechnic Institute, Dhaka
(February 2020 – May 2020)

- Learned the fundamentals of HTML5, CSS3, and JavaScript.
- Built responsive web pages using Bootstrap and Tailwind CSS.
- Developed simple user interfaces using React.js.
- Worked on basic frontend projects during the training.
- Improved problem-solving and teamwork skills through practical assignments.

RESEARCH PROJECT

Title: Student Management System

Location: Daffodil International University, Dhaka

Duration: May 2021 – November 2021

Team Size: 4

Brief Description:

Developed a web-based Student Management System to manage student information, course details, and academic records. The system allows users to add, update, search, and manage student data through a simple and user-friendly interface.

Individual Role:

- Developed responsive user interfaces using HTML5, CSS3, Bootstrap, Tailwind CSS, and React.js.
- Assisted in developing backend features using Node.js and Express.js.
- Tested the application, fixed bugs, and improved overall functionality.
- Collaborated with team members to complete the project successfully.

TECHNICAL SKILLS

- **Programming Language:** JavaScript
- **Frontend:** HTML5, CSS3, Bootstrap, Tailwind CSS, React.js
- **Backend:** Node.js, Express.js
- **Database:** MongoDB
- **Version Control:** Git, GitHub
- **Tools:** Visual Studio Code, Postman
- **Operating Systems:** Windows

PROFESSIONAL SKILLS

- Microsoft Office
- Communication Skills
- Teamwork and Collaboration
- Leadership
- Adaptability

AWARDS AND ACHIEVEMENTS

- **Volunteer Recognition Award** – Received for active participation and support in organizing a university event.

CERTIFICATIONS

- Information Technology (IT) Fundamentals Certificate by the Department of Software Engineering, Daffodil International University, Sep 2021
- Professional Communication Skills Certificate, Daffodil Polytechnic Institute, Apr 2022

CO-CURRICULAR ACTIVITIES

- Participated as a Group Member in a university project and collaborated with team members to complete assigned tasks, Career Development Center, Sobhanbag, Dhaka (2023).
- Participated in university technical workshops and seminars to enhance technical knowledge at Daffodil International University (2024).

EXTRACURRICULAR ACTIVITIES

- Member of the DIU Photography Club and participated in photography and campus events (May 2019 – June 2021).
- Participated in university seminars and workshops to improve technical and communication skills (March 2022 – September 2023).
- Volunteered in cybersecurity awareness programs at Daffodil Polytechnic Institute, educating communities on online security best practices, Jan – Feb 2020.

COMMUNITY SERVICE

Volunteer, Daffodil Career Development Center, Dhaka (August 2019 – October 2019)

- Participated in community service activities organized by the Career Development Center.
- Worked with volunteers to support different community programs and events.
- Assisted in organizing activities and providing support to participants during community events.
